POLICY FRAMEWORK FOR VOLUNTARY FREEZING/BLOCKING OF ONLINE TRADING ACCOUNT ACCESS FOR CLIENTS

Annexure to Risk Management Policy **of** **AAA Institutional Securities Private Limited**

INTRODUCTION

To enhance the ease of business operations and investment activities for investors, and to safeguard investors from suspicious activities, SEBI, through its circular ref. **SEBI/HO/MIRSD/POD-1/P/CIR/2024/4 dated January 12, 2024**, has mandated a framework for stock exchanges. This framework requires Trading Members to provide clients with the facility to voluntarily freeze/block online access to their trading accounts. Consequently, stock exchanges have issued circulars detailing this framework. In line with these directives, the following policy has been formulated for the voluntary freezing/blocking of trading accounts.

Whenever client of **AAA Institutional Securities Private Limited** notices any suspicious activities in their online trading account and/or suspects that login credentials of their trading account are breached/hacked and there is an urgent need to address the situation and block/freeze the access and/or activities in their trading account, the client can choose any of the following modes of communication to intimate/send a request to **AAA Institutional Securities Private Limited** for Voluntary Freezing/Blocking of their online Trading Account.

Option A: Clients can call on **+91-9667738861** from their registered Mobile Number.

Option B: Clients can send an email to **compliance@aaa-securities.com** from their registered email ID.

Email: info@aaa-securities.com | Website: www.aaa-securities.com

CIN: U66120DL2026PTC464792

The intimation should contain the minimum identity details required viz. **TRADING A/C. CODE / UCC / PAN / ACCOUNT NAME** so that the correct account information is identified within the shortest time.

Upon receipt of the email/SMS, the **AAA Institutional Securities Private Limited** team will carry out the validation process as under:

1. Verify the sender's Email ID/Mobile Number

In case the request is received from registered Email ID/Mobile Number:

- Call the client on the registered mobile number.
- Confirm the identity of client and reconfirm the request for block/freeze and reasons for such request.
- Send the acknowledgement of receipt of the request/instruction to the sender's email/mobile and Block/Freeze the trading activity in the trading code at the earliest and within the time frame that may be specified by the authorities from time to time.
- Cancel all the pending orders in the trading system for that trading code.
- Review and confirm the executed orders and outstanding position of the client for the day and take instructions/orders to square off any positions and execute such square off orders through RSM terminal as per instructions of clients at the earliest and within the time frame as may be specified by the authorities from time to time.
- Send a communication on the registered mobile number and registered e-mail ID of the client, stating that the online access to the trading account has been frozen/blocked and all the pending orders in the client's trading account, if any, have been cancelled along with the process of re-enablement for getting the online access to the trading account.

CIN: U66120DL2026PTC464792

In case the request is received from other than registered Email ID/Mobile Number:

- Call the client on the registered mobile number.
- Confirm the identity of client and reconfirm the request for block/freeze and reasons for such request.
- If the client is not contactable on the registered mobile number, call up on the number from which the instruction is received. Call alternate available numbers of family members / introducers, AP and establish direct contact with client and confirm the identity of client by reconfirming at least two of the private and confidential client's specific information with clients as available in client master database as part of additional due diligence to ensure and confirm the identity of the clients.
- Send the acknowledgement of receipt of the request/instruction to the sender's email/mobile and Block/Freeze the trading activity in the trading code within the time frame as may be specified by the authorities from time to time.
- Cancel all the pending orders in the trading system for that trading code under confirmation of clients only when the contact with client is established and identity of client is confirmed. If the contact with client is not established and identity is not confirmed within the reasonable time and there appears to be some suspicious pending orders in that trading code, suitable action may be taken by the RMS team under consultation with any one of the available designated director of **AAA Institutional Securities Private Limited** as to either cancel the specific orders or all the orders or any other actions as may be required.
- Send a communication on the registered mobile number and registered e-mail ID of the client, stating that the online access to the trading account has been frozen/blocked and action taken about pending orders in the client's trading account, along with the process of re-enablement for getting the online access to the trading account.
- Review and confirm the executed orders and outstanding position of the client for the
